

## Southampton Strings Festival 2019 Scholarship Form

In support of our mission to bring arts to all regardless of means or ability, SCC awards a limited number of full and partial Strings Festival scholarships to families with financial need. To be eligible for a SCC scholarship, applicants must complete a Scholarship Form before the program deadline (listed on our website). Due to the success of our scholarship program, financial documents may be requested to ensure scholarships are going to families with true financial need.

SCC asks that families apply for our Partial Scholarship and contribute partial tuition if they can. Applicants may write how much they can contribute in the “Pay As You Wish” option on the form. All proceeds go towards future scholarships and community programs at the SCC, so we thank you in advance for your support!

**Please complete this form in order to be eligible for a SCC scholarship. Scholarships are awarded based on both need and availability. Announcements are made 2-3 weeks prior to the start of the program.**
